Outcomes & Impact

Expanded access to adaptive sports and fitness opportunities across Ewa Beach and Honolulu.

Strengthened Veteran independence through goal setting, coaching, and assistive technology training.

Reduced participation barriers through transportation and accessibility support.

Built confidence, peer connection, and community integration through inclusive recreation.

Looking Ahead to Quarter 3

AMVETS Hawaii will continue recurring adaptive fitness and sports readiness classes, monthly fitness assessments, transportation and accessibility support, and additional adaptive sports opportunities across Oahu, while strengthening documentation, expanding community partnerships, and deepening Veteran engagement.

AMVETS Hawaii remains committed to improving independence, well-being, and quality of life for Veterans with disabilities across Hawaii.
